Professional Association of Architects, Murcia

**Education**

1979 Professional Degree in Architecture  
Specialization: Building and Urbanism  
Polytechnic University of Barcelona, School of Architecture (ETSAB)

**Professional Work**

Architect and founder of Arquitectura MOR-PALL (1980-2005)

During 25 years José Morcillo has developed over 600 projects of architecture and urbanism. He completed his professional degree at the ETSAB in Barcelona, and has specialized in structural and mechanical systems calculations. His office was one of the first architectural studios in his home town Cieza. In 2005, the Professional Association of Architects of Murcia distinguished José with the award for 25 years of Professional Practice in the Region Murcia.
